**Statement regarding the ending of President Biden’s campaign
and our support for Vice President Harris**

At this pivotal moment, we express profound gratitude to President Joe Biden for his success as one of the most effective presidents in modern American history. In four years he has worked to fundamentally improve the lives of our generation and beyond.

With Joe Biden's decision not to seek a second term, we wholeheartedly support Vice-President Kamala Harris for the democratic nomination. As we unite to defeat Trump, our commitment remains strong to Turning Texas Blue.

Thank you Joe Biden, for your dedicated service to our nation. Now, as the torch passes to a new generation, we stand united in support of Kamala Harris.
